

"Thank you for considering me to judge your upcoming 50th Specialty. Western Reserve has always held a special place in my heart. I was happy to judge one of your A matches when you sought accreditation and I was there at your very first show in 1996 and most of your specialties since then. I've judged your show 3 times and each time was pleased with my entry.

I feel Western Reserve is unique. It is small & intimate, yet time and again it has an entry equal in quality to the National. Because of that, winning BOB is very prestigious. Hospitality has always been warm & welcoming and one of the highlights of the show.

I would be extremely honored to judge your 50th Specialty. It would be the thrill of a lifetime!"
